A black and white line drawing of a person with long hair, wearing a long-sleeved shirt and pants, sitting and holding a large pencil vertically. The pencil is as tall as the person's torso. The person is looking down at the pencil with a slight smile. The drawing is simple, with bold lines and no shading.

The worksheet is divided into two main sections. On the right, there is a 4x3 grid. The top row contains the numbers 6, 5, and 6. The second row contains 3, 4, and 8. A horizontal line is drawn under the second row. To the right of the grid, there is a minus sign (-) and the text "(..... te kort)". On the left, there is a large, irregularly shaped blank area for writing. This area contains three sets of horizontal lines: a solid top line, a dashed middle line, and a solid bottom line. Each set is preceded by a minus sign (-) and followed by an equals sign (=).
