# Zoek woorden met: r

en stempel ze na.

Zoek in een Leesweg leesboekje, Flitskaarten, Woordwijs.

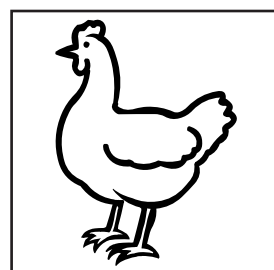

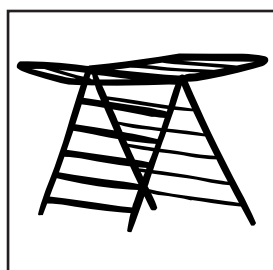

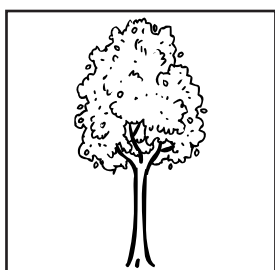

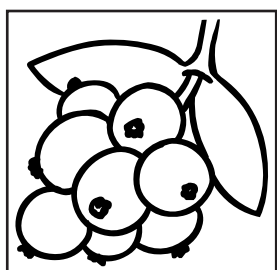

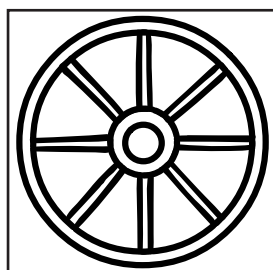

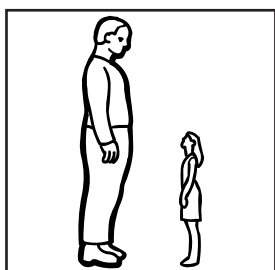

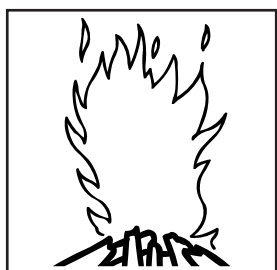

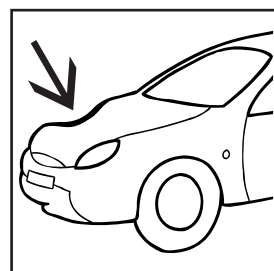

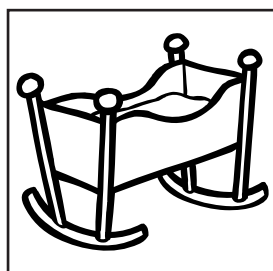

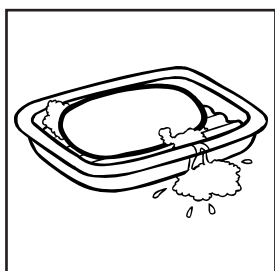

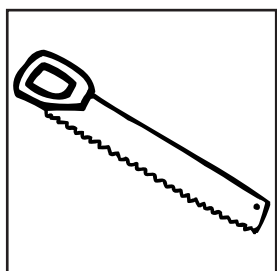

|                                                                                   |       |       |
|-----------------------------------------------------------------------------------|-------|-------|
|  |       |       |
| _____                                                                             | _____ | _____ |

|                                                                                     |       |       |
|-------------------------------------------------------------------------------------|-------|-------|
|  |       |       |
| _____                                                                               | _____ | _____ |

|                                                                                     |       |       |
|-------------------------------------------------------------------------------------|-------|-------|
|  |       |       |
| _____                                                                               | _____ | _____ |

# Waar hoor je de: r

Kleur dat plaatje of knip het uit en plak het op een los vel.

Extra opdracht:

Pak een spel Woordwijs of Klankwijs waar deze letter in voorkomt.  
Haal alle kaarten met plaatjes eruit.

Maak nu twee stapeltjes: één met plaatjes waar je de letter wel  
hoort en één waar je de letter niet hoort.

# Stempel de woorden na

Of: leg de goede letters (uit je letterdoos) in de vakjes.
